

**Fiber pass/fail certification in just 3 seconds!\***

**Promotion extended!**

## Get copper and fiber certification for **under \$10k!**

For a short introductory period, buy the JDSU Certifier40G CAT 6A Copper and Tier I Fiber Multimode Certification Kit (NGC-4500-MM-NA) for \$9,995 (regular price \$12,550). The offer ends 06/30/12.

The world's most-advanced cable certifier is also the fastest Tier I fiber certifier. Not only can you save 30 minutes on every 150 CAT 6A cables you test,\*\* you can now get fiber loss, length, and pass/fail measurements in 8 seconds for less than \$10,000.

The Certifier40G maximizes installer productivity with accelerated test times, and the Touch<sup>2</sup> screen lets technicians view setups and results at both test ends, minimizing walking time.

The Certifier40G has an advanced measurement engine that tests to next-generation cabling standards delivering years of productive service, unlike legacy cable testers.

The cost-saving permanent-link adapter and affordable accessories help maximize the extraordinary lifetime value of the Certifier40G.

### Promotional pricing

Part Number	Description	Promo Price
NGC-4500-MM-NA	Certifier40G CAT 6A Copper and Tier I Fiber Multimode Certification Kit (including cable certifier local unit, remote unit, two CAT 6A channel adapters, two CAT 6A link adapters, two multimode fiber adapters, mandrels, fiber patch cords, and power supplies in a carrying case).	<b>USD\$ 9,995</b> (regular price \$12,550)
NGC-4500-MMSM-NA	Certifier40G CAT 6A Copper and Tier I Fiber Multimode and single-mode Certification Kit (including cable certifier local unit, remote unit, two CAT 6A channel adapters, two CAT 6A link adapters with test cords, two multimode fiber adapters, two single-mode fiber adapters, mandrels, fiber patch cords, and power supplies in a carrying case).	<b>USD\$ 15,995</b> (regular price \$18,495)
