

Special MTS-6000 Introductory Promotion (Time Limited)

Upgrade your MTS-5100 into MTS-6000

Give your old OTDR
a new lease of life
in the brand new
MTS-6000
platform

JDSU is pleased to offer a special introductory offer for existing MTS-5100 clients. Trade-in your current MTS-5100 OTDR mainframe when you purchase a new MTS-6000 and save money!

Use the latest platform technology!

Depending on the MTS-5100 mainframe model, you are entitled to a special discount which can be applied to a brand new MTS-6000 mainframe:

MTS-5100eo	35% discount
MTS-5100e	30% discount
MTS-5100	15% discount

This same discount can also be applied to some MTS-6000 mainframe options ⁽¹⁾ including Power Meter, Talk Set, VFL, extended memory etc

(1) except video inspection probe, tips, and accessories

Re-use your current OTDR modules!

For a mini price, send us your MTS-5100 plug-in OTDR module ⁽²⁾ (MM, SR, SR_e, DR, HD and VHD models) and we will recalibrate and transform this module for use in any MTS-6000 mainframe.

This offer is also valid for a second OTDR plug-in module.

Offer ref: E5XMODUP

(2) Does not include E507xWDM, E506xx, E5066xLTS, E506xxLTS/TS, E5023ML, and E5026VSR plug-ins modules.

MTS-6000 Platform offers in addition

- Smaller, lightweight, and robust platform
- Field upgradeability to new OFI, PMD, WDM, CD, and OTDR plug-in modules
- Field inter-changeability with MTS-8000 scalable optical test platform
- Two USB ports for removable memory sticks, mouse, keyboard and other ancillary equipment
- High visibility color display for inside/outside (touchscreen on option)
- New Smart LiIon battery with capacity that exceeds one whole work day of use
- Optional Video Inspection probe (USB)
- Optional built-in VFL, power meter, Loss Test Set, and Optical Return Loss
- Desktop applications including web browser, acrobat PDF reader/writer and e-mail tools
